The bride's maids are waiting for the bride, but she just called and is going to be a couple hours late. Well, that's not going to keep these three from having their own lady-love honeymoon. It's not long before tall tales of their own marriages give way to cat-like growls and kitty moans as pussies are opened for hot tongues and fingers. It's too bad the bride's not here because she then would be the center of attention.

TRINA MICHAELS' ***LATEST ANAL*** ***INTERVIEW***

I tried to walk away, many times. I tried to make a new start, but my sexual urges were much too great. I needed a cock in my mouth, I needed one in my pussy, and one in my ass. So, I found a way to get all that. I'd interview for an office assistant, and give each guy my three hole test. Trina, we're in. What time is best for you?

An in-depth look at
the sexploits of one
curious couple that
decided to turn their
talk into action

Open House

Jen and I had been married for four years before the idea of swinging first came up. We were at some friend's house and they were talking about swinging. We were all sitting around and had a half a bun tied on. Toni and Bill had gotten past the talking stage and were going to a club to try it out. The following months found the subject of swinging sneaking into the conversation.

The talking stage lasted for another six months. Then one night, while we were in bed, we decided to try out a club we had heard about in New York City. The night before our first venture we had sex with such intensity

as they fought to contain my dick.

When we had arrived back home, we fucked but it seemed to be missing something. My mind was wild with fantasizing about what I had seen at the club: in one room a man and a woman were holding down a girl in her early twenties, while another woman was busy between her legs making her cunt wet with her kisses. I wondered what it would be like to watch Jen as some woman made love to her.

Nothing was said for the next couple of months until Jen was speaking to Toni one day. She invited us to one of their meetings, which are held on every other

A Guide to Wife Swapping

that I think it was the anticipation of a change in our lives.

I remember that we had been nervous as we made our way into the city. These feelings lasted until we arrived at the club. Once inside, we were put at ease and all the people we met were very friendly, but not too many of them stood out as real good looking. The club had swinging on the premises in different rooms. You could either be alone or go into a room where everyone was just doing it on large pillows. I remember I felt myself getting excited and looking forward to getting into the fun.

Jen was very nervous and when we were alone at the bar she told me that she could not go through it like this; it just wasn't the situation she was looking forward to. We had agreed prior to going in that we would only participate if both of us were into it. We sat at the bar for another 45 minutes and watched as different people paraded past us in different stages of undress. Every so often I felt the strain of my pants

Saturday. The meetings were held at a local bar where everyone got together and decided whether or not to split up or just to go over someone's house for a little party.

A party was decided on and everyone followed each other to a house that was set back in the woods. It belonged to a couple named Vic and Mindy; they were both a few years older but they were in great shape. I started to undress Mindy in my mind and felt as if this was going to be one of the better evenings of my life.

After a few drinks and some weed, people started to break into couples and Vic placed his arm around Jen and started kissing her ear. My sexual drive cooled as I started to get a little jealous. Mindy must have sensed this because she invited me upstairs; she looked so good there was no way that I could refuse. The room was very large with a king-size bed in the middle. I sat on the bed and Mindy started to strip off her clothes in a very seductive way.

B073

When she was down to her bra and panties, she came over and whipped my cock out and took it into her soft mouth, running her tongue over its tip. I lay back and let my mind drift.

The thought of Jen with some other dude, doing what was being done to me, made me think for a while and my sexual awareness to what Mindy was doing to me seemed to dwindle. I can remember thinking, what if Jen did it with someone better than me; would she ever be happy at home and would she start to cheat on me?

All these things going through my head had taken all the excitement out of me and I started to shrink down in size. I could not get the image of this out of my mind and I was lucky that Mindy had seen this behavior before. I felt very embarrassed and started to get up but Mindy lay down on the bed and started to remove her bra and let her big tits bounce free. I thought that even if I was having problems, I had to perform. I mean, her husband was downstairs with other men fucking the hell out of my wife.

I leaned over and took one of her tits in my mouth and started sucking and biting her nipples. My hand found its way between her thighs and was fingering her went cunt through the thin fabric of her panties. I went down on Mindy and ate her until she was screaming in orgasm, but still could not seem to make myself stay hard. Then Toni and another man came into the room and started to go at each other while Mindy joined in. I had left and gone to the bathroom.

At the top of the stairs I could hear Jen as she was just reaching a climax; loud moans and screams of joy were coming from her mouth. I did not want to see her for fear of ruining her good time but it was not too easy for

me. Toni came up behind me and started to take hold of my cock and lead me into another room.

Closing the door she told me that it was very common for men to have a hard time getting it up and we both laughed at the pun. We lay down next to each other, both naked, and talked for a while. I could tell she was just trying to relax me and I was still fighting it, but Toni was very kind and very appealing and very soon felt myself getting hard. I pushed Toni on her back and with her help guided my cock into her. We soon had a rhythm going and my mind was at ease and beginning to enjoy.

At the end of the evening Jen and I said nothing to each other on the way home. Jen had a strange look to her and it was easy to see that she was not finished for the evening and this made me forget any jealousies that I felt. After a long, loving shower which consisted of us soaping up each other and bringing each other's sex to a fevered pitch, we found ourselves in our bed locked in an embrace that almost kept us from breathing.

Jen's cunt was dripping wet and I easily stuck four fingers into her and began to play with her inner walls. Her head was thrashing around as her body was being racked by yet another orgasm. When I pulled my fingers out of her, Jen pulled them to her mouth and started to lick and suck her love juice off them. She started to play with herself for a second and put one of her fingers deep inside of herself, then pulled it out and stuck it up my ass. The feeling was great; my wife was on fire and so was I. It seemed as everything that had happened tonight was just the foreplay for our own lovemaking.

After a few hours we fell asleep in each other's arms, both

exhausted and spent, both of us coming at least three more times. The following weeks found us at the meetings and later at parties. Toni was right and my problem became a memory the second time, and I was able to enjoy my-

self. Other than Toni and Bill we did not see the other members of the club too much. This is done to discourage any relationships getting started.

One night we were invited to a party that another club was having. I had noticed that Jen was taking more time getting ready and that she always looked better than anyone else at the parties. The hostess took us for a tour of the house and explained which rooms would be private and which would be the "game" room. It was a large home with a swimming pool and a hot tub out back. There were no neighbors around so that people were swimming bare by the time we got out there.

Jen and I were shown a room

where we could change. We gave each other a hug and said how much we loved each other before we entered the play time. We split up and I went back out to the swimming pool.

There was a gorgeous, tall

the water to float in, she was doing all of the movement while I was stood there trying to keep my balance. My cock seemed to be sucked into a hot, wet pit. Holding onto my neck, she leaned back so that I might be able to

blonde chick swimming laps in the water. Her body was graceful and glistening as she glided through the water. She made it look so inviting that I shed my clothes and dove in. I started to swim some laps and soon this blonde came over and started matching my strides. We began to race. I won and she came over and started kissing me. Her tongue found its way over my teeth and was exploring my mouth. Because I was a little out of breath, she almost knocked me over with her embrace.

My cock started to stiffen and was probing her thighs and poking at the opening of her pussy. Wrapping her legs around me, she impaled herself on my cock, never breaking our kiss. Using

play with her breasts. Her nipples were sticking out like little fingers; the water was chilly which could account for part of her condition.

Her rhythm increased and I could feel my own orgasm building. She began splashing the water and kicking, almost falling off me a few times before she slowed her pace down. By this time other couples had appeared in the water and around the pool. Everyone was engaged in some form of sexual fun. Two couples had slipped into the hot tub and were thrashing about. The blonde chick I was with took my hand and we jumped into the tub with them.

I sat in the tub next to a dark-haired woman in her late forties. She had placed a hand on

my dick and I could see that her other hand was wrapped around the one that belonged to the man next to her. While she was busy bringing my cock back to life and rubbing us off, I was playing with the tit and nipple closest to me while the other guy was doing the same to her other side. Both of us buried our fingers deep inside her cunt and started rubbing the inside walls, as her eyes rolled deep inside of her head and her body started to jerk.

Her rubbing increased and I could feel my juices start to mount. Screaming for someone to fuck her, I quickly obliged while the other dude started to enjoy himself with my blonde friend. The woman grabbed hold of my ass and started to pull me closer as she guided my cock deep inside of her. As soon as I entered her I was swallowed into the soft folds of her body. Her cunt was incredibly tight for a woman of her age; it was like a vacuum had sucked me in.

The sounds of the other people around were a real turn-on. Here were six people going at each other like crazy, and everyone having a great time! I was trying to hold on so that I would not use myself up so early. I knew I was no super stud, but I was going to bring this chick off at all costs. Her body started moving with my thrusts and water was splashing over the sides. Still our momentum continued until she started to speed up and go into the first stages of orgasm.

We were kissing each other wildly and all over. This was pure animal lust. She stopped moving and gave a little moan with every stroke I made; her tongue was sticking out a little and moving back and forth over her lips. We lay in each other's arms for a while, letting the feeling flow over us while we listened to the other couples reaching orgasm. Bodies

were moving wildly in the tub and we just switched partners until everyone had been with each other, and then – back into the house.

There were bodies everywhere and it reminded me of some Greek movie. Jen was upstairs and we had made a promise about not being near each other, so I went to the back of the house to the party room. I smoked a joint on my way back and the sight of the room mixed with the weed made my cock stand up again. There must have been 10 couples lying on a pillow covered floor performing every sexual act I know. At first I was just standing there and the hostess came up behind me and started kissing me. She wasn't really my type but I was game for anything.

Her tongue slipped into my mouth and started to play with mine. My hands were all over her body as hers were doing the same to me. We lay down on the pillows and someone else started playing with her tits while some girl started to play with my balls. The lighting was very soft, almost to the point that you could hardly make out any bodies. I felt my cock being taken into someone's mouth while the hostess still lay underneath me. The mouth soon stopped to my disappointment, but soon I was guided into the hot, wet pussy of the hostess while someone licked the back of my balls and worked their way to the cunt I was inside of. The hostess wrapped her legs over my back as I got on all fours to give better access to the mouth. All of this was too much for me and I started to come. I was afraid it might be a little premature for the hostess, but she started to yell as

soon as my first spurt shot deep inside of her.

The party lasted until dawn, with some of the couples staying over. Jen and I found each other and both had an urge to be with each other and no one else, so

was soaking wet with our sweat and Jen's body was so willing I never felt stronger.

Sleep came over us finally, and we woke late the following day and started talking about the partners we had the night before.

we left. She sat very close to me on the ride home, and started to run her hands along my thigh while she rested her head on my shoulder. The electricity that was going on between us was unreal. As soon as we got inside, we fell into each other's arms and ripped off our clothes and spent the next half an hour in the shower scrubbing each other until we both glowed.

We must have tried every position known to humankind, and I was amazed at the stamina that I had. There was something about Jen; when we were tired we would slow down and rest until our strength got back, then one of us would start the rhythm going and off we went. Because I had already come about three times already, my body was able to go for longer times. The bed

At first I started to get jealous again but I wasn't only turned on; as she was talking I stuck two fingers in her cunt and slowly brought her off again. Jen turned on the bed and we settled into a 69 position that was so perfect that it took almost an hour for me to come in her mouth. For the first time she swallowed every drop and licked around her lips for anything that might have slipped out.

It was a wild weekend and both Jen and I have been swinging for about two years now. We both feel that swapping has enhanced our relationship to its fullest. After a lot of talking we realized that it is not for everyone. But for couples, who feel secure about their relationship and have thoroughly discussed it, should give it a shot.

A woman with long, wet, black hair and visible tattoos on her back is shown from the chest up, looking down. She is in a shower stall with grey square tiles. On a white shelf above her, there are several items: a green cap, a yellow sponge, a bar of soap, an orange vibrator, a clear bottle of lubricant, and a purple vibrator. The text "Devi Emmerson" and "Asa Akira" is overlaid on the image in a stylized font.

You've been served

I found myself attracted to the waitress and stroked my nipples while holding her gaze.

My current hubby, Rudy, and I have been together for almost twenty years, happily married, no kids, and for the first fifteen of those years of marriage enjoyed some fairly conventional sex. During the last year we talked more and more freely about it and realized that we both had fantasies that we weren't sharing with each other.

We made a pact that we would make an effort to help each other fulfill some of them. We'd start out safe, and if that went well, we'd ramp up the excitement level and make our love lives more interesting and fulfilling.

The other night we went out to dinner at a nice Italian restaurant. Before that, Rudy asked, then politely demanded, that I put on a short, tight skirt, boots and a sweater. The sweater was the type that most women would

wear with a cami or undershirt. It gets cold in Cleveland in November, but the air was refreshing on my bare nipples that were poking through the holes in the sweater.

We warmed up at the restaurant and enjoyed our dinner, but about half way through our meal I saw his face change. He looked at me like he wanted me, no needed me; it's the look that makes my stomach tighten up with anticipation. He told me to flash him right there at the table. We were in the back of the restaurant but it wasn't that big. The bar area was opposite me and as I lifted my sweater, the bartender definitely saw me do it but I didn't see if anyone else had. The guy smiled at me.

Momentarily, I felt like a slut, but looking into his eyes, I didn't care. His look told me that I was his slut, and he wanted people to know it. He told me to do it again, but he also wanted me to pinch my nipples so they were harder. As I found them through the holes in the sweater, I noticed our waitress saw me doing it as she was bringing us the check.

She was a cute brunette with big brown eyes and a big, round ass just like mine. Rudy likes big asses and said that was one reason he married me. I found myself attracted to the waitress and stroked my nipples while holding her gaze.

If she didn't look scared, I was going to invite her home with us. When she handed my husband the bill, she avoided looking directly at me. Clearly she was uncomfortable, and probably not open to the idea. My husband paid for the meal, and he was clearly ready to go. When we stood up, I went to adjust my skirt, and he asked me to stop.

We walked out of the restaurant with my skirt riding up high enough to see the bottom of my butt cheeks and my nipples were still hard and pushing through my sweater. I love when he takes control. I never know what he's going to do next, or tell me what

to do next and the anticipation makes me so wet.

As we were walking to the car, millions of possibilities ran through my mind but I was not prepared for his next comment. We were parked in a parking garage on the first level. From the car you could see the entrance to the parking garage, office building windows and the street. He looked at me, bit his lip, and tore off my skirt. He pushed me down to my knees and forced me to suck his hard cock. I have come to love sucking my husband's dick. It's sensing his body react, feel-

When we got back to where we were staying, he made me strip in the elevator and finger myself.

up to my stomach.

My naked ass was in the air, and he was pounding into me. We heard a loud engine noise approaching but neither of us wanted to stop. In fact, the idea of someone seeing us with me

my body explode in waves of pleasure. I felt his hot cum shoot into me, relieving the tension even further. My orgasm lasted for a couple minutes. I was so spent by the end of it that he had to pick me up and put me into the car seat.

When we got back to where we were staying, he made me strip in the elevator and finger myself. By this time, my clit was so hard and swollen from rubbing it that it almost hurt to play with it – but that kind of pain makes me so wet; to the point where it runs down my leg in long thin streams.

The whole time he's pulled his cock out and is rubbing it with one hand and taking a video of me with his cell phone in the other as I'm rubbing myself. He said he was ready to cum and I quickly fell to my knees and took it all in my mouth and swallowed. I stood back up, pulled my skirt back up, and went back to flicking my clit as I licked up the rest of his cum off my chin.

Suddenly, the elevator stopped on the tenth floor and a young well-dressed couple walked into the elevator while I was still rubbing myself, but I didn't

ing his cock push harder and harder against the back of my throat.

He loves to fuck my mouth and he did it then. And for a minute I was afraid my delicious dinner would come back up, but it didn't. Suddenly he picked me up and bent me over with my hands on the car. When he bent me over, I had no choice but I wouldn't have had it any other way. I love it when he fucks me from the back, because I can feel his cock all the way

bent over by my gorgeous husband turned me on even more.

I started to moan. He was screwing me so nice that I came all over him right as the car went by. My husband started to fuck me even harder, pinching my nipples. This went on for a few more minutes, and as I felt another orgasm building within me. I couldn't hold it off anymore.

I wanted him to let me cum again. As usual, we timed it perfectly as I felt

stop. They watched intently as my fingers disappeared into my pussy and made a sexy sloshing noise that turned everybody on.

Rudy didn't even have to tell me to keep going, and they surely didn't mind watching. When we reached our floor, I exited the elevator and pulled my skirt all the way off and ran down the hallway to our room with my ass bouncing in the air. Rudy was right behind me!

a beautiful hook up

Cassandra was always there to listen to Brianna — and after a few drinks, Brianna decided it was time to thank her. Her old roommate couldn't believe it when she was lowered to the living room floor, dildos in hand. Both pussies were on fire and it took a lust-filled weekend to put it out.
